

Mills Lawn Elementary School will be hosting **Parent Conferences** on Thursday, October 28 (4:00-7:30pm), and Friday, October 29 (8:00am-3:20pm).

We will offer families **in person conferences** or **virtual conferences**. To participate, parents and/or guardians will register for conferences using an online scheduling system called SignUpGenius.com.

To schedule your preferred conference times, please click on the name of the teacher you wish to meet with, add your child's name, add your email address, and indicate in person or virtual. If you choose to have a virtual conference, your child's teacher will send you a link to the virtual meeting prior to the scheduled conference date.

For all in person conferences, it is important that we follow all normal building safety precautions. Masks are required, meeting spaces will be arranged to allow for social distancing, and parents/guardians are asked to limit how many people attend each conference.

If you have any questions, please contact the Mills Lawn office at 937-767-7217 or email Mrs. Bussey at [nbussey@ysschools.org](mailto:nbussey@ysschools.org)
